The "Voice of the I AM" is the mouth-piece through which the Ascended Masters' Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

It will also contain information as to where the Accredited Messengers, Mr. and Mrs. G. W. Ballard and son, Donald, are teaching the Ascended Masters' Instruction on the "I AM."

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters' help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

SAINT GERMAIN'S DISCOURSE
Detroit Class—November 29, 1936

HOU Infinite Light, Thou Infinite 'Mighty I AM Presence' CHARGE! CHARGE! CHARGE! these beloved Students of the Light with the fulness of Thy Infinite harmonious Action so qualified. Charge the Higher Mental Body of each one to qualify every feeling, so that it expresses only Thy Perfection, thus holding the human in obedience to the Divine Presence; that the quickest, the fullest possible expansion of the Light within each heart may come into action to set the individual free; not only from their limitations, but unto their Ascension.

This activity, Oh beloved ones, is always three fold; not only calling your attention to your Presence, in Our humble endeavor to have you accept It; but by the Radiation from the Ascended Masters, it is possible to clear the comprehension of each one, until tremendously greater speed of achievement may be attained.

You might be interested to know, that no great achievement in the world is ever accomplished except through the Radiance of an Ascended Being. Mankind does not often know from the outer standpoint, why a wonderful activity takes place. Therefore, many times transcendent things have been qualified by human concepts and lowered into a rate of vibration which deprived the individual of the blessing intended.

The Great Cosmic Light is rushing into the earth, making so much possible which heretofore could not have been. Then, when We ask you to do certain things for your Freedom, it means We see and know what you can actually do in that request.
In the Instruction of the Book of "I AM Discourses," there is the solution to every human problem; the answer to every question that the human asks. Will you use them, until you are in such clear definite contact with your own "Mighty I AM Presence," I mean by that, so clear the channel that you feel, see and hear Its Spoken Word to you through the Higher Mental Body, as definitely as you hear Mine? Then, will all human mistakes cease; because only in human concepts does one find mistakes occurring.

In the Ascended Master Consciousness there are no mistakes. So, if you will realize, it is within your province, your ability—by attention to your Presence—to make the channel absolutely clear for your direct release of good of every description; then you will understand, that no longer can human things interfere.

It is imperative at first, when you enter the Great Stream of Light, to be firm and positive against accepting human appearances; but the moment you recognize your Presence, they cease to have power. Remember, in your qualification —your power of qualification—you can do or undo. As you accept your Presence every activity in those qualities which you are unaccustomed to use, becomes intensified.

I want to give you this explanation to-night of why seeming discordant things occur, sometimes, to the students who have entered the Light. Because they have not or would not use the Violet Consuming Flame, the old momentum, set into action in past embodiments, rushes forward for redemption as you enter this Great Stream of Light; and all the activities of your being become quickened. If you will use the Violet Consuming

Flame; call your "Mighty I AM Presence" into action as these things arise; dissolve and consume them; it will not be possible for you to have an accident of any kind. However, mankind so often thinks, well I will use this awhile and then they forget it.

Do not hesitate to call your Presence into action, to stand guard over you and your world until your Ascension. Mankind needs protection as never before in its existence. You being the decreer of your world must not only qualify, but call into action, the qualities you wish to have manifest there. If you will do that, Oh beloved ones, your troubles will soon cease.

When I feel oftentimes the great agitation and anxiety of the students who want so much to be free; yet through the feeling they are still giving attention to those appearances which have no power; only as they accept them into their worlds; I long to hold them close in My Embrace of Light, until all that can be dissolved; but beings of free will must be taught to call into action consciously, the Perfection which they wish to have manifest. As they do that, they will have no difficulty in freeing themselves.

Beloved students, Our Love is very great and Our Gratitude very great, for the great Love you have poured out to the Messengers, to Us and for your generosity here. We thank you exceedingly and We rejoice with you, that the gates to your Freedom stand wide open before you. Enter in, Oh my precious ones, and feel the Fragrance of your "Mighty I AM Presence" flooding your beings and world. We rejoice as your Freedom and Victory goes forth through the feeling world. It carries forward a Mighty Radiance to heal, to
bless, prosper and enlighten. You, through this recognition, Oh my precious ones, become a Blazing Focus of Light, a Sun of Light, if you please.

Pour forth this Radiance everywhere you move. Do you see how great is that service; not only in setting yourselves free, but perhaps hundreds whom you do not know? They themselves know, that it was your Radiance which gave them the courage and strength to reach forth again, to grasp their Scepter of Dominion and go forth a Free Being of Light.

Oh my precious ones, how long We have waited for humanity to once again turn their attention to the “Mighty I AM Presence” which enables Us to do for them, what otherwise is impossible. A great number have come to accept their “Mighty I AM Presence,” and make their call through these Mighty Decrees to set a Mighty Force into action in the mental and feeling world of mankind. Then, you not only have your own effort; but think of it Oh beloved ones, two hundred thousand times your own effort! Will you please still yourselves for a moment and feel this Mighty Truth? In the mental and feeling world of mankind, in all of you and in all the Students of the “I AM” everywhere in America and the world, there is no separation. Do you not see? Let us use a crude illustration: Say here is an octave and here in the lower edge of that octave, your heads are in this Radiance. That is a crude illustration of how in the mental and feeling world, there is oneness of consciousness. Therefore, when a Decree goes forth into the mental and feeling world of mankind, do you not see how every one of you—more than two hundred thousand—are receiving the blessing of the others in their Decrees? Do you not see how you have entered into a Mighty Activity of the Infinite?

To-night, it has been made possible for Us to call this to your attention. The Messengers have asked you to love and harmonize with each other; that your mental and feeling world may be held in great calm serenity. Then, the Power of the Presence, called into action through your Decrees, does Its Work with great speed and accuracy—uninterrupted and uninterfered with by human feeling. Will you not see that Oh precious ones? Feel the Mighty Infinite Benefit which It brings to you! When you sometimes feel you have not the ability—stop for a moment and think, how you are having the Assistance of two hundred thousand people. Oh beloved ones, do you not see this? Contemplate it! Then feel the Infinite Courage generated by others; as well as the Assistance from your own “Mighty I AM Presence”—amplified by the Great Host of Ascended Masters. Do you not see how it becomes impossible for you not to have your Freedom, achievement and the expansion of your own Light?

It was a magnificent thing, when the Great Cosmic Law came to a point where it was first permissible, and then imperative, that these Mighty Decrees go forth in the mental and feeling world of mankind. You see the individual has been so prone to think, that his only concern was about his own little individual world. Yet, in this activity, one becomes a part of the whole and the whole is active for the one. Then, let Me remind you again: It is so tremendous when you call your “Mighty I AM Presence” into action. It knows no interference or resistance. It goes forth with the Power of the Universe to fulfill your requirements.
Do not ever forget these words my precious ones! Let them be emblazoned in Light, emblazoned in your forehead—your brain—to act there as well as in your heart; to remind you that your application of the Presence cannot fail ever; and that every single effort of yours becomes strengthened in use. As you make your application earnestly, you are gaining a momentum which shortly will carry you forward, bringing great speed of activity in your application, and in your requirements. You would have thought a few weeks before that it was incredible.

To-day, you have the Scepter of Power in your hands, grasp it firmly! Use it! Use it! Use it! Oh my precious ones, to call forth the Mighty Intelligent Energy of your Presence to go forth in your world, dissolving and consuming every discordant thing; replacing discord by the Perfection of the Presence and holding its Dominion there forever, all powerfully active.

Beloved ones, to-night, I leave with you Our Love, and Blessings, Our Sincere Appreciation of your every earnest effort which cannot fail in your Freedom and Achievement. I call forth the Blessings of the Great Host of Light to enfold you with Its Courage, Strength and Sustaining Power, until you become fully aware from within your own “Mighty I AM Presence” of Its Power to govern your world at your call every single moment. Then stand serene in Its Full Radiance and Activity. Be glorified by not only your Freedom from limitations, but by your Ascension into your Electronic Presence, the “Mighty I AM Presence” forever free—the Ascended Being, Master of all Worlds. I thank you.

1937 RADIO BROADCAST No. 1
THE "MIGHTY I AM PRESENCE"

HE Cosmic Moment has struck, Beloved Ones of America, when the Ascended Masters call you to Victory and Freedom in the Light.

Dear Ones, in this series of ten broadcasts, as I give you the ASCENDED MASTERS’ INSTRUCTION on the “Mighty I AM Presence,” which is the LAW OF LIFE, energy and vibration, you may wonder by what authority I give you this Mighty Knowledge. Mr. Ballard and I were chosen to be the Messengers of the Ascended Master, Saint Germain, because He has prepared us to render this service at this time.

For more than thirty years, we both earnestly sought for the Truth of Life, knowing that there must be some underlying Law, which if found, would give us the Freedom we craved. The answer to our quest came in 1930, right here in your own glorious America, on the side of Mount Shasta, when Saint Germain, Who is One of the Great Ascended Masters, came forth to Mr. Ballard and made it possible for him to have the transcendent
illuminating experiences which Mr. Ballard has recorded in his book, UNVEILED MYSTERIES, written under the pen name of Godfre’ Ray King. A few months later, in the beautiful Wyoming Rockies and the Grand Teton of Teton National Park, Mr. Ballard was shown and taught the marvels which he has recorded in his book, THE MAGIC PRESENCE.

He was chosen by Saint Germain, because of previous association and preparation, to have and record these experiences, that the people of America and the world might know and comprehend the Great unknown and unacknowledged Assistance which is now being given to mankind by Himself and the other Ascended Masters, in the face of seeming distress and disorder in the outer world. Through this Understanding, the Great Ascended Masters are trying to arouse the people of America to make conscious determined effort to neutralize the destructive forces that mankind has generated.

If you wish to know upon what a magnificent plan the destiny of America is founded, and the benefits derived from a conscious understanding of the Ascended Masters’ Law of Life, we point you to these two truly transcendent books—UNVEILED MYSTERIES and the MAGIC PRESENCE. As explained in the Foreword, the exact names, locations, records and treasures, including dates, are withheld intentionally, at the command of Saint Germain, for reasons that are obvious.

At the close of these experiences, Mr. Ballard returned to our home in Chicago where further explanation of this Mighty Law of Life—the “Mighty I AM Presence”—was given to us by Saint Germain in person. In a series of seventy-three Discourses, He dictated the Ascended Master Instruction on the use of the Great Creative Word “I AM,” and the “Mighty I AM Presence” which is GOD IN ACTION.

This Knowledge given to us was and is so sacred, so transcendent and so practical that Mr. Ballard, our son, Donald and I are devoting every moment of our lives to the giving of this Work to the people of America. We ask you not to believe a word we tell you, but to PROVE THE TRUTH OF EVERY WORD WE SAY. During the past two and one half years, we have stood before more than 225,000 people throughout most of the large cities of the United States of America and given forth this Instruction. We shall continue to do so, until all mankind is set free in the Knowledge of the “Mighty I AM Presence.”

Tonight, let us turn our attention to the Understanding of this MIGHTY PRESENCE, the INDIVIDUALIZED GOD-SELF of EVERY HUMAN BEING.

Down through the ages, mankind has thought of God as being everything from a kindly old gentleman sitting on a golden throne, to a great abstract principle or impersonal force working blindly and heartlessly throughout the world. We bring to you, dear ones, the Perfect logical, acceptable, heart-satisfying ETERNAL LAW AND TRUTH OF LIFE, THE TRUE EXPLANATION OF GOD, AS GIVEN US BY SAINT GERMAIN, JESUS AND THE OTHER ASCENDED MASTERS.

From out the Heart Center of Infinity comes forth the Individualized Presence of God, clothed in a body of Pure Light Substance. This Elec-
tronic Body abides immediately above every human being on earth and pours down into the human form, the Life, the Light, the Substance and Energy that enables the physical body to move, breathe and have Self-Conscious Life. This Individualized Focus of the Great Supreme Source of all Life, is the "Mighty I AM Presence." This is the GOD-SELF of every man. In this way, God—Life—governs the Universe by the Individualization of Itself, which every human being is in Reality.

The withdrawing of this Presence of—the Life energy—from the human form is what we know in the outer physical world as death. The eyes and ears of the body after so-called death, may remain in perfect form, yet the body can neither hear nor see; because the Great Stream of Energy which flows down from the Presence and allows the body to see, hear and move about, has withdrawn. This is what Jesus referred to when He said: "Of Myself, I can do nothing. It is the Father within that doeth the works," for He recognized and knew that Great Presence of God, the "I AM," and to It gave all acknowledgment in all accomplishment.

The "Mighty I AM Presence" of every individual, no matter what the worldly estate, is Almighty, Limitless Intelligence focused and dwelling in an Electronic Body of Blazing Pure Substance and Energy. This is the man referred to in the Bible, who is made in the Image and Likeness of God. It would have been a sad looking God indeed, if the human form of man was what had been referred to as God's Image; but now we KNOW that It is this Blazing God-Presence, dwelling immediately above every human form in full Perfection which is the Divine man.

This Blazing Beautiful Presence is the GUARDIAN ANGEL, spoken of down through the centuries. Many individuals have gazed upon their own "Mighty I AM Presence" and thought they were seeing a Glorious Being sent from God. This Individualized God-Self projects the Attributes of Itself down into the substance of the physical world, creates a body and operates it through the physical senses. It loans the physical body the use of certain attributes and endows it with an intellectual and Heart Consciousness, through which the God-Self should be allowed to expand Its Light and Perfection and which It always does, unless interfered with by discordant feeling.

If you doubt that this Great God Presence stands willing and ready to fulfill every constructive wish of your heart, the Ascended Masters say to you: "If you will call your Presence into action three times daily—earnestly—for five minutes, keeping your feelings harmonious, inside of ten days you would have the evidence in your own experience so strong that nothing could turn you aside." Say to your Great God Presence WHICH IS ABOVE YOU: " ‘Mighty I AM Presence!' release into my world as Your Glad Free Gift of Love, this constructive thing which I so earnestly desire." Do this three times a day for ten consecutive days with deep feeling, keeping yourself harmonized and the sure and certain answer to this call will be all the proof you will need, to know that what we tell you is the Eternal Truth—the LAW OF LIFE.

The beautiful colored picture of this "Mighty I AM Presence" appeared in the February Issue of this magazine. Through the use of this eye picture of the PRESENCE, you can more quickly
comprehend It, and release Its Mighty Power in Its FULNESS through your body to heal, bless and release Its Perfection out into your world and to all you contact.

You may ask: "If each human form has a Perfect God Presence pouring into it God's own Perfect Substance, why is not the human being the out-picturing of this full Perfection?"

Here Blessed Ones, is the most illuminating Understanding of the LAW OF LIFE ever given to mankind. That Perfect substance and energy from the Presence, as It flows into the body of the individual, would remain Pure and Perfect and always out-picture Perfection; if it were not for the requalification, through discordant feeling and inharmony, with which the individual clothes his God-given Energy. Our work as Messengers of Saint Germain, is to show you Blessed Ones, how you can, through harmonizing your feelings and recognizing this Pure God Energy, allow It to sweep into your bodies, in Its original pure state and full Power, to cleanse and purify your worlds of everything undesirable. When you learn to do this, you will be fulfilling the commands which Jesus gave: "BE YE PERFECT, EVEN AS YOUR FATHER IN HEAVEN IS PERFECT. YE ARE GODS. THE THINGS I DO SHALL YE DO ALSO AND GREATER THINGS THAN THESE SHALL YE DO."

During the coming week, we shall give to you the practical application and use of this MIGHTY LAW OF LIFE.

Each evening as we close, we invite you to join us in a powerful loving decree for the blessing and perfecting of yourselves, your homes, America and the world. Tonight, we say: "MIGHTY

I AM PRESENCE! AND GREAT HOST OF ASCENDED MASTERS! POUR THE FULNESS OF YOUR LIGHT AND LOVE INTO EVERY BLESSED ONE WHO HAS LISTENED TO THESE WORDS AND TO EVERYONE IN THE WORLD! AWAKEN THEM INTO THE FULL TRUTH AND REALITY OF YOUR 'MIGHTY I AM PRESENCE!' SHOW THEM THE REALITY OF YOURSELF, AS THE ONLY DIRECTING CONTROLLING PRESENCE AND POWER IN THEIR DAILY LIVES! PRODUCE PERFECTION AND HOLD YOUR DOMINION WITHIN THEM AND THEIR WORLDS FOREVER! WHAT WE DECREE FOR OURSELVES, WE COMMAND FOR ALL MANKIND, THE EARTH AND ITS ATMOSPHERE!"

We enfold you in the Ascended Masters' Mantle of Light and Love to give you every good thing forever! and remember:

"The Light of God never fails"!
"The Light of God never fails"!
"The Light of God never fails"

and "The Mighty I AM Presence" is that Light!

AFFIRMATION

"Mighty I AM Presence," charge my entire Being and world with ten times more Peace, Poise and Ascended Master Self-control than I need to maintain Perfect Balance and obedience to you every moment and keep them eternally sustained.
The application to sign for the 100% Groups is no pledge, oath or anything of the kind. It is simply a reminder to the individual of the requirements needed to live up to the highest ideals. This is the shortest way to the goal of Freedom, and is but a means of helping the individual to the goal.

Therefore, we ask all everywhere to stop all criticism and discussion of the 100% Groups and of those who have been strong and unselfish enough to give the service which they render.

We ask all to bless, bless and bless the 100% Groups with all the Love of their beings, that the greatest service possible may be rendered everyone on earth through those Groups; so that the most may be accomplished in the shortest time for the Freedom of America and the world now.

We ask all to do this deep, deep, deep in the feelings and we decree, that not even the air shall carry a breath or wave of criticism against them, the service they give or those who have chosen to give that service. Everyone knows in his own heart whether he is doing right or wrong. No one can give obedience to the Great Law of Purity and Perfection for him.

Therefore, we call the "Mighty I AM Presence" of each one into action to seize, bind, hold inactive and remove all human qualities and creations within him and replace them all by the Ascended Masters' Eternal Obedience to the Light of his own "Mighty I AM Presence" in his own heart, and hold Its Mighty Perfection within and about him and his world forever self-sustained.

BELOVED Ones in the "I AM" School, feel that the Light is your Eternal Home, which you left for a while and now you are coming back into It.

Feel and see everything your heart desires coming to you out of the Great Globe or Sphere of dazzling White Light around your Presence, whose depths are exhaustless.

You have come forth from the Light. The Light is constantly pouring Its Gifts and Service to and through you for the Freedom of all.

Therefore, try to feel all the time that you live, walk, talk and act constantly in your own Great Pillar of Light—white with a radiance of gold—which is always around you, pouring down from your Presence.

Before you start to do anything, stop! send Love to your Presence for a moment and then remember: "Now I am calling my 'Mighty I AM Presence' into action here. It knows no resistance or interference of any kind, but proceeds with all the energy of the Universe to fulfill my Decree. So now I accept the instantaneous fulfillment of my call, and I thank you my Precious 'I AM Presence' forever." Then send up more Love to your Presence and just be happy in enjoying, in your feel-
THE 100% GROUPS

The Great Divine Director and Saint Germain wish it made unmistakably clear to all "I AM" Students that the 100% Groups are rendering a Service to the Light, America and the world which they alone can give.

The work which the Great Host of Ascended Masters wish to accomplish through them is of such a nature that certain requirements must be fulfilled if Their Assistance is to be given.

When specific work is to be done in definite channels, the amount of energy needed to accomplish that work must be released through the students in those Groups. When the energy is of a certain intensity, the minds and bodies of the students who are to direct it, must be pure and strong to a definite degree; so the energy released will go forth uncontaminated enough to do the work, for which It is called forth.

The requirements listed must be fulfilled in the daily Life of the Students and to every one who desires to fulfill them, the "I AM Presence" will give limitless Strength, Courage and Power to accomplish it.

The signing of those applications is to help the Student keep a check on his human self strong enough to let the work be done through him. It is all wholly voluntary at all times, but the agreement is between the Student and his Presence, and no one else is ever urged. All must be done because the Student obeys his own heart's call to give this service to America, and no one can do that for him.

It is the request of the Great Divine Director and Saint Germain, that if anyone is not intending to abide by those requirements, please do not sign those applications or come into those Groups; because remember, precious ones of the Light, in all this activity you are dealing with the Law of Energy and Vibration, and they do not discriminate. They obey the direction and take on the quality within the individual.

No one can be blamed or criticized for the action and existence of that Law. In the 100% Groups tremendous streams of Energy are released by the Ascended Ones to free all. No one should be blamed or criticized because he is willing to discipline his human self enough to enable this Mighty Service to the Light to be given.

**DON’S TALK ON KINDNESS**

**SINDELAR’S GROUP—MARCH 25, 1937**

HERE is one activity that has been brought to my attention of late which seems to be of more importance than any other one thing in the world, as far as maintaining happiness in our own lives is concerned. It is the radiation of kindness; for what we send out we inevitably receive back. In other words: “As ye sow, so shall ye reap.”

Therefore, it seems to me very important that each one of us should three times a day or more, call to our Presence in a manner something like this: “Oh, ‘Mighty I AM Presence’ I call unto you to take charge of my human activity! See that I never send out an atom of unkindness, knowingly or unknowingly to any Child of the Light in the Universe.” Do you realize, that the reason we have unhappiness in our world and people do things to us that make us unhappy, is because at some time, we have sent out the same feeling to some other one of God’s children?

Therefore, it behooves us to give conscious definite attention to this particular point, for I see clearly as I have never seen in my Life before, that unless I and every other student of the “I AM”—and every one on earth—do this, we can not expect happiness in our own lives.
I feel that I cannot find words to make this point as strong to every one of you, as I feel it in my heart. Therefore, I call to Saint Germain to come forth and write this Law in letters of Living Fire in the hearts and minds of all the students of the "I AM" forever.

I know that this is the root of ninety-nine percent of the unhappiness of mankind. Let each and every one of us call on the Law of Forgiveness, that our past momentum of these undesirable thoughts and feelings can be consumed; that this energy be released into the Service of the Light; and whatever balance the Divine Law requires us to make for the wrong we have done in the past, may be made harmoniously.

There is a Great Mercy in the Divine Law, by which, through the activity of the Law of Forgiveness, we can make restitution for our past created discord in an harmonious way. In other words, if we have sent out hate to someone in the past, it does not mean that we must receive that much hate in return before we can make the balance to the Law; but rather, that we can give balance or off-set our past discordant momentum through service in an harmonious way. If any one of you had any concept of the tremendous discordant momentum everyone has built up in the past, you would realize this is the greatest Divine Mercy that could be bestowed upon mankind.

I feel to-night, that as in all the other Groups we have attended, someone must dictate and I do not want to take one moment of time from any one of the Beloved Ascended Ones who wishes to speak to you. I feel that I have brought forth the one most important point which has been shown me in a long time, and I hope it may help you.

OUR NEW BOOKLET

It is our joy to announce the release of our most recent booklet, the "I AM DECREES," for use by all who wish to help in this Service of the Light; to bring Illumination, Victory and Freedom to mankind everywhere.

This booklet is a collection of "I AM Decrees," covering most of the special conditions into which we are calling the Activity of the "Mighty I AM Presence." Through the issuing of these DECREES, the Presence is pouring into those conditions the Light, Love and Substance from the Ascended Masters' Octave of Life.

The purpose of this book is to enable all to give and receive Limitless Help in this hour of world crisis. This means the individual, America and the world.

Everyone can give and receive the Limitless Blessings of the "Mighty I AM Presence" by using these Decrees of the Ascended Masters for the protection and Freedom of America, as well as the rest of the world.

It does not take faith nor an intellectual understanding of this Ascended Master Instruction to release the action of the Law of the "Mighty I AM Presence," through giving these Decrees, for a three year old child can call forth the Activity of the Presence and receive Its Manifestation as quickly as the most intellectual person. The call to the Presence simply sets the Law into action.

We send each copy forth, charged with the Cosmic Authority and Power of the "Mighty I AM Presence," as of a Thousand Suns of Divine Love, Light, Substance, Blessing and Perfection of the Ascended Masters; to illumine, protect, supply, set free and manifest the Victory of "The Light of God that never fails" for all who use or contact IT in any way.

May every "I AM STUDENT" and every human being in the whole world use the DECREES in this book continually until all mankind is free and out-pictures the Perfection of the Ascended Masters.
